Nuestra alianza con la **Asociación Retail Textil España (ARTE)** para abordar los retos sociales del sector retail textil y del calzado sigue dando pasos.

Ayer celebramos un nuevo hito: un focus group multistakeholder en el que contamos con la participación de representantes de los distintos grupos de personas impactadas por las operaciones del sector, en colaboración con **CONESE**.

Esta sesión nos permitió contrastar y enriquecer el trabajo que estamos desarrollando en el laboratorio social, así como avanzar en el análisis de la materialidad social del **#retail** textil en España.

Queremos agradecer especialmente a **Ana López-Casero Beltrán** y **#ARTE** por su compromiso y colaboración, así como a todas las personas que participaron: **Francisco V.** (**CEPYME**), **Maria Martin-Montalvo** (**ISEM Fashion Business School**), **María Rubiños** (**amfori - Trade with Purpose**), **María Jesús Deza Cano** (**RE-VISTE**), Lola Vázquez y **Regina Pálla Sagüés** (**COFIDES**), **Alberto Egido** (**Moda re-**), **Félix Peinado Castillo** (**OIT España**), **Ignacio Hernández Rodríguez** (**Ethic**), **Laura Espejo Leal** (**Plena inclusión**), **Enrique Garcia Lopez** (**OCU**) y **Mariana Franco** (**Business and Human Rights Centre**).

Es un orgullo para nosotros acompañar a **Asociación Retail Textil España (ARTE)** en el reto de identificar y analizar su contribución a la sociedad. 🙌
